Memorandum of Understanding

Between

Malabar B Ed Training College, Peravoor

And

Manathana Peravoor UP School, Peravoor

For school adoption and for the academic empowerment of students and teachers

This Memorandum of Understanding (MoU) is made between Malabar B Ed Training College, Peravoor, herein referred to as "MBETC," and Manathana Peravoor UP School, Peravoor herein referred to as "MPUPS."

The purpose of this MoU is to formalize the partnership between MBETC and MPUPS through the adoption of MPUPS. This collaboration aims to provide comprehensive support to MPUPS in the areas of curricular and co-curricular activities, socio-cultural development, communicative English enhancement, and other educational needs.

Scope of Collaboration

Curricular and Co-Curricular Support:

MBETC will design and implement programs that supplement the existing curriculum of MPUPS. This includes organizing workshops, seminars, and special classes aimed at enhancing the academic performance of students.

Co-curricular activities such as sports, arts, and crafts will be promoted to ensure the holistic development of students. These activities will be conducted regularly with the involvement of student teachers of MBETC.

Socio-Cultural Development:

The student teachers will organize cultural events and activities that celebrate diversity and promote inclusiveness. These events will help in instilling values such as teamwork, leadership, and community participation among the students.

Initiatives such as community outreach programs and social awareness campaigns will be undertaken to make students aware of societal issues and encourage their active participation in community development.

Communicative English Development:

Special emphasis will be placed on improving the communicative English skills of MPUPS students. Regular English language workshops, spoken English classes, and interactive sessions will be conducted by trained student teachers and faculty members from MBETC.

Students will be provided with resources such as books, audio-visual materials, and language learning software to facilitate self-paced learning and improvement in their English communication skills.
